**HEADLINE** : HSS ENGINEER WINS MRO CONSULTANCY JOBS FROM MAHB

KUALA LUMPUR: HSS Engineer Bhd (HEB) has bagged two independent checking consultancy contracts from Malaysia Airports Sdn Bhd (MAHB) with a total value of RM18.75 million.

In its filing with Bursa Malaysia today, HSS Engineer said its unit HSS Integrated Sdn Bhd (HSSI) had received a letter of award (LoA) from MAHB.

"The first contract is an independent checking consultant (ICC) work for the design and build packages of the proposed build and lease of a maintenance, repair and operations (MRO) facility at Subang Aerotech Park.

"Meanwhile, the second contract is ICC work for the design and build packages of the proposed development of MRO hangars and industrial buildings," it said.

The contracts are for five years from Feb 23 this year.

"The contract is expected to contribute positively to the revenue, earnings and net assets of the group for financial years ending December 31, 2022 (FY22) to December 31, 2026," it added.
